

Organization Overview: South Vancouver Neighbourhood House (SVNH) is a community service agency and charitable organization serving South Vancouver since 1977. As a neighbourhood house, we work toward improving the quality of both community and family life. We offer activities and services for seniors, adults, families, youth, and children, which are determined by the needs and interests of the people living in our community. Each year, nearly 3,000 individuals participate in our programs, which are run in partnership with over 600 volunteers who donate more than 30,000 hours of their time.

Vision: Everyone in South Vancouver lives in a healthy and engaged community.

Mission: SVNH plays a leadership role in building healthy and engaged neighbourhoods in South Vancouver by connecting people and strengthening their capacity to create change.
