# The South Vancouver Community Food Hub

Since November 2020, South Vancouver Neighbourhood House has been leading the South Vancouver Food Hub with the Langara YMCA as its centre of operations.

We work with our partners to provide weekly emergency grocery boxes to **320 households** representing **1,100 individuals** in the South Vancouver neighbourhoods of Sunset, Victoria-Fraserview and Killarney. From Monday to Friday, we are busy sorting, packaging, receiving and transporting healthy, culturally appropriate food across 7 locations.

Our program allows community members to **access food closer to home**, so people can spend more time with their loved ones and work on getting back on their own two feet.

To reach us, please call the SVNH Front Desk at 604-324-6212.

If you would like to support this program, please consider making an online donation by visiting [www.southvan.org/get-involved/donate](http://www.southvan.org/get-involved/donate) or scanning this QR code: Click 'Donate Now', select #8 SVNH, and write 'Food Hub' in the message section.
