## Career Advisor Career Directions Program Internal/External Job Posting Posting period: July 4-10, 2024

South Vancouver Neighbourhood House (SVNH) is located on the unceded, occupied, ancestral and traditional homelands of the xʷməθkwəy̓əm (Musqueam), Skwxwú7mesh (Squamish) and Səlilw̓ətaʔ/Selilwitulh (TsleilWaututh) Nations. We recognize the vast cultural diversity of Indigenous people and acknowledge the heterogeneity of their opinions, representation, needs and desires. We dedicate ourselves to walking in solidarity with our Coast Salish neighbors and South Vancouver community members as we work collectively towards community building.

### Job Overview

The Career Advisor/Development Practitioner role works directly with clients in one-on-one and group-based environments. Client will be able to access the full range of employment topics and services (labour market/, career research, job search, job readiness and industry insights workshops) and will increase their' skills, social and professional networks. SVNH is committed to serving all newcomers living in South Vancouver catchment and hence we are committed to conduct outreach to our partners' sites.

### Roles and Responsibilities

- Connect and outreach with newcomers and refugees who are unemployed and underemployed in South Vancouver neighbourhoods.
- Collaborate with employment programs and skills training providers in the community and provide program/client information as needed.
- Conduct intake and provides needs and asset assessments, career planning and job search assistance,
- Facilitates the development of a realistic action plan, resumes and other tools for the employment and/or further training of the client based on identified skills/interests, work experience, and labour market needs, and work with client in identifying their short-, mid- and long-term goals and what are the steps to put in their action plans necessary to achieve those goals.
- Provides individual counselling and remote service delivery (on-line) referrals to skills upgrading and relevant programs.
- Conducts appropriate group interventions and information workshops on relevant topics (labour market research, the hidden job market, self, resume / cover letter, interview skills, job retention and pre-employment topics, ensuring that lessons plans are prepared and delivered consistent with program curriculum.
- Monitors the progress of clients towards achieving their employment and/ or training goals and provides ongoing support until the client's action plan is completed.
- Participates in developmental activities for curriculum, lesson plans, handouts and evaluations for the program.
